Subject: Microsoft Settlement

I have reviewed the anti trust settlement and both my wife and I believe it is just.

Please conclude this action now. Continuing the pursuit of this matter will be unlikely to serve justice. Those who would be served by furtherance may achieve some small gains for their cause at the expense of the vast majority of Americans.

The law of "unintended consequences" has had a great negative affect on the american public through a lack of confidence.

So "ENOUGH ALREADY!!!!!"
